1. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The references cited on the PTO-892 teach other related drain valves.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach a drain valve with the specific claimed structure including a body having a central passage, two sealing surfaces and a recess between the sealing surfaces with a reciprocating plunger located within the passage as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
